Housing is a Human Right!
The Dignified Fight for Homes in Mexico City and Beyond
with Luis Saracho of the Unión de Vecinos y Damnificados 19 de Septiembre

Join Luis Saracho as he discusses his work with the Unión de Vecinos y Damnificados 19 de Septiembre (UVyD 19), an organization that arose from the need to recuperate destroyed housing after the infamous 1985 earthquake in Mexico City.

UVyD 19 continues to organize to defend their right to housing amidst forces of gentrification. Discover how Mexico City tenants organize people power to fight eviction and displacement.
