Students may request to have transfer courses apply toward the Latin Honors distribution. A course may be used to cover only one field of knowledge. **Coverage normally requires four credits.**

Complete the form below indicating each course for which you are requesting an evaluation. **Attach a course description** for each course and submit them with this form to the registrar's office. If approved, the changes will be reflected on your Latin Honors distribution analysis form on BannerWeb. Otherwise, you will be notified by the registrar.

Students may not use this form for Smith courses. Smith courses may only count towards those areas designated in the course description.

- English composition courses equivalent to ENG118 at Smith do not carry the Literature designation.
- Foreign language courses must be at the level of the second half of a full-year intro course or higher to be considered for language distribution credit.
