St John's Church Welcomes You

We invite students to come as they are in a place where questions are encouraged and community is celebrated.

**Taize service**: first Wed of every month at 7-8 PM
A contemplative service with candles, music, and a healing component. People who attend come to the ceremony to pray, help center, and bring peace. Next event is scheduled for Feb 3rd.

**Emmaus Dinner**: the following Wednesday from 6-8 PM
A free home-cooked meal is offered along with a discussion with other students and folks in the community over various topics such as exploring meditation, means of discipleship, and forgiveness. Next gathering is scheduled for Feb 10th.

**Stone Soup**: second and fourth Sundays of the month from 1-2:30 PM
Stone Soup is a collaborative gathering of individuals who form a safe space to have authentic conversations, broaden our perspectives, and connect across assorted walks of life to build community. Attendees range in age from teenager to young adult and come from a variety of backgrounds. No registration required. To find the meeting, go to First Churches through the side door off of Center St and follow the signs. Next meeting is scheduled for Feb 14th.

**St John’s space**
The church offers a variety of areas and wifi to come in by yourself, with a group to study, or to use our space for dance or music practice. Contact our office administrator for more information.
